SECURITON

Securiton SJ 25 ABSRED screw joint, ABS, red, 10 pcs

Product code 61367 · Aspirating smoke detection › Pipes and installation accessories

Detachable screw joint for 25 mm red ABS sampling pipe. 10 pcs.

- Sampling pipe system Ø 25 mm, red ABS
- Pack of 10
- Operating temperature −30…+60 °C (Securiton catalogue)
- Securiton's VdS-approved pipe material for ASD detectors

Product description

SJ 25 ABSRED is Securiton's screw joint for 25 mm ABS sampling pipe. The joint can be opened, so it suits points where the pipe must be detachable, such as the connection to the detector or a filter.

According to Securiton's catalogue, the sampling pipe materials are part of the detector's VdS approval, so the pipe network is built from parts approved and listed by Securiton. The ABS parts are red with an outer diameter of 25 mm and are bonded with Glue 250 ABS. The operating temperature of the ABS pipe system is −30…+60 °C.

Technical data

Product code	61367
Manufacturer	Securiton
Manufacturer's code	SJ 25 ABSRED (11-2300055-01-01)
Product group	Aspirating smoke detection › Pipes and installation accessories
Diameter	25 mm (outer)
Material	ABS
Colour	Red
Pack size	10 pcs
Operating temperature	−30…+60 °C
Compatibility	ASD 531, ASD 532, ASD 533, ASD 535, ASD 2000
