

EMEX

NiMH 1.2 V battery with connecting lead (MX series 2020)

Product code 910002 · Emergency lighting > Spare parts

Replacement NiMH battery (1.2 V) with connecting lead for Emex MX series 2020 exit signs and emergency luminaires with a rated duration of 1 hour.

- Replacement battery for MX series 2020 1-hour luminaires
- NiMH 1.2 V, connecting lead fitted
- Fits MX25, MX40 and MX Light luminaires (1 h)
- Quick replacement with connector

Product description

This 1.2 V NiMH battery with connecting lead is a replacement battery for Emex MX series 2020 luminaires with a rated duration of 1 hour. According to the manufacturer's technical description, the battery fits the 1-hour models of the MX series, i.e. the MX25 and MX40 exit signs and the MX Light emergency luminaires. The 3-hour models have their own 2.4 V battery pack (910008).

The battery comes with a connecting lead fitted, so replacement is quick: the battery is connected to the luminaire before the luminaire is fitted to the base. If the luminaire has an older battery without a connector, its replacement battery is 910001.

According to the manufacturer, the service life of MX luminaire batteries in normal use is three to six years. The luminaire tests its battery automatically, and a duration test is carried out at least once a year. If the battery test or the duration test fails, the indicator light of the luminaire flashes red and the fire alarm control panel gives a technical warning, and the battery is then replaced.

MX series replacement batteries

- 910001: NiMH 1.2 V without connecting lead
- 910002: NiMH 1.2 V with connecting lead, 1 h models (MX series 2020)
- 910008: NiMH 2.4 V (HHR-210AH) with connecting lead, 3 h models
- 910007: NiMH 2.4 V (BK-220SCHU), MX IP65 and MX Outdoor

Technical data

Product code	910002
Manufacturer	Emex

Product group	Emergency lighting › Spare parts
Product number (Emex)	910002
Battery	NiMH 1.2 V
Connection	Connector lead
Compatibility	MX series 2020 1 h luminaires (MX25, MX40, MX Light)
Service life	3–6 years in normal use
