

EMEX

MX25 sign panel 4 mm, E1/E2 left/right

Product code 970004 · Emergency lighting > MX luminaires

Double-sided sign panel for the MX25 exit sign: arrow left on one side and arrow right on the other (E1/E2). The panel slides into the luminaire body, and the viewing distance of the luminaire is 25 m.

- > Double-sided: left (E1) / right (E2)
- > For MX25 exit sign bodies
- > Viewing distance 25 m (EN 1838)
- > Dimensions 126 × 250 mm
- > Slide-in mounting: clicks into place and is locked with a screw

Product description

This Emex MX25 sign panel is a double-sided escape route sign with an arrow left on one side and an arrow right on the other (manufacturer's designation E1/E2). The panel is fitted to the body of the MX25 exit sign, which illuminates the whole panel in both normal and emergency mode. The viewing distance of the complete exit sign is 25 m.

The panel meets the requirements of EN 1838: the luminance of the green area is at least 2 cd/m², the contrast between the white and green areas is 1:5–1:15, and the contrast within the same colour is less than 1:10. The signs comply with EN ISO 7010.

Compatibility

The panel fits MX25 bodies 825100 (1 h), 825300 (3 h) and 825302 (black, 3 h). The double-sided panel cannot be used in RX models, in which the panel is always single-sided. A complete exit sign consists of the body, the analogue base 3312FLW/3312W and the sign panel, which are ordered separately.

Installation

The panel is slid into the mounting profile of the body until it clicks into place, and it is locked with the fixing screw. Finally, the panel is turned to the correct direction.

Technical data

Product code	970004
Manufacturer	Emex
Product group	Emergency lighting > MX luminaires
Dimensions	126 × 250 mm
Marking	E1/E2
Construction	Double-sided
Viewing distance	25 m (in the MX25 luminaire)
Compatibility	MX25 housings 825100 (1 h), 825300 (3 h) and 825302 (black, 3 h)
Standards	EN 1838, EN ISO 7010

Documents

The manufacturer's original documents can be downloaded from the product page (QR code at the top of this sheet).
