

PANASONIC

Panasonic 5068 mounting frame for EBL512 G3

Product code 41039 · Fire alarm systems > Control equipment

Flush-mounting frame for installing the Panasonic EBL512 G3 fire alarm control panel recessed into a wall. The frame is the same colour as the panel housing.

- For flush mounting the EBL512 G3 panel
- Same colour as the panel housing
- Suitable for panels 5000S and 5001S and the zone plan cabinet 5013

Product description

Panasonic 5068 is a mounting frame for flush mounting the EBL512 G3 fire alarm control panel. With the frame, the panel can be installed recessed into a wall so that the joint with the wall has a neat finish. The frame matches the colour of the panel housing, so the panel and frame form a uniform whole.

Compatibility

The manufacturer's product data lists the EBL512 G3 panels 5000S and 5001S and the zone plan cabinet 5013 as related products for the frame.

Installation

Check the dimensions of the mounting opening in the wall and the installation instructions in the panel's installation documentation.
