- > DFU 911 and DFU 911S
- > Replacement date is marked on the cartridge
- > Pack of 20

Product description

RFC 911 VE20 is Securiton's replacement cartridge for DFU 911 and DFU 911S dust filter units. The pack contains 20 cartridges. At commissioning and after replacement, the date is entered in the field on the cartridge. The cartridge is removed from the housing while the unit is being installed to avoid damage. The replacement interval follows the application-specific filter service life set in the detector.
