

## SECURITON

# Securiton SMM 535 RS-485 network master module (USB)

Product code 61322 · Aspirating smoke detection > Networking, control and software

Connects aspirating smoke detectors networked via RS-485 with SIM 35 modules to a PC USB port. Powered via USB.

- > RS-485 ↔ USB
- > Powered via USB (5 V DC)
- > Operating temperature -30...+60 °C

## Product description

SMM 535 is Securiton's master module that connects aspirating smoke detectors networked via RS-485 with SIM 35 modules to a PC USB port. The module is powered by the USB port. On the PC, the detectors are used for example with ASD Config and the networking licence.
