

PANASONIC

Panasonic WMC control and interface unit

Product code WMC · Voice alarm systems > Control equipment

Wall-mounted control unit for day-to-day use of the PAVA system: 4.3-inch touchscreen for audio source selection, routing and volume control, Bluetooth 5.0 and a connection for a microphone or audio source.

- > 4.3-inch LCD touchscreen
- > Audio source selection, routing and volume control
- > Bluetooth 5.0 for wireless audio playback
- > Connection for a microphone or audio source
- > Wall or flush mounting in a BOX W-m or BOX F-m box

Product description

WMC is a wall-mounted control unit that makes day-to-day use of the PAVA sound system quicker and easier. According to Panasonic, it allows the system to be controlled without access to the panel.

The 4.3-inch LCD touchscreen is used to select the audio source, route the audio and adjust the volume. Via Bluetooth 5.0, audio can be played wirelessly, for example from a mobile phone. A professional microphone or audio source can be connected to the unit.

Two boxes are available for installation: BOX W-m for wall mounting and BOX F-m for flush mounting.

WMC is included in the component list of the CPR certificate 1438-CPR-0527 for Ambient System's miniVES/ midIVES panels.

Technical data

Product code	WMC
Manufacturer	Panasonic
Product group	Voice alarm systems > Control equipment
Display	4.3-inch LCD touchscreen
Functions	Audio source selection, routing, volume control
Bluetooth	Bluetooth 5.0 (wireless audio playback)
Connection	Microphone or audio source
Mounting boxes	BOX W-m (wall mounting), BOX F-m (flush mounting)
IP rating	IP30
Operating temperature	-5...+40 °C
Humidity	Below 95%
Dimensions	194 × 108 × 50 mm
Weight	1.4 kg

Documents

The manufacturer's original documents can be downloaded from the product page (QR code at the top of this sheet).

Datasheet: ABT-WMC control unit (Ambient System)

Product catalogue (series): PAVA voice alarm system

Technical datasheet (series): PAVA voice alarm system

CPR certificate (series): 1438-CPR-0527, miniVES/midiVES system

Declaration of performance (DoP) (series): miniVES/midiVES system mini_midiVES-20260720
