

MX25 RX

- MX25 Combines cutting edge technology with a modern and elegant design. This exit sign is ideal to use in any environments, such as hotels, hospitals, shopping malls and similar places where the look matters most.
- MX25 is very easy and fast to install thanks to a separate mounting base, into which also the power supply is connected. It can be mounted ceiling or wall.
- MX25 is fully compatible with Panasonic addressable system, while fulfilling all the emergency light standards.
- This is an innovative LED exit light of the new generation. Additional function: During an emergency, displaying a red 'X' to signify an area as closed or blocked.
