

MX40

MX40 Combines cutting edge technology with a modern and elegant design. This exit sign is ideal to use in any environments, such as hotels, hospitals, shopping malls and similar places where the look matters most.

MX40 is very easy and fast to install thanks to a separate mounting base, into which also the power supply is connected. It can be mounted ceiling or wall and used as 1 or 2 sided.

MX40 is fully compatible with Panasonic addressable system, while fulfilling all the emergency light standards. This is an innovative LED exit light of the new generation.

EN-STANDARDS

EN 60598-2-22
EN 1838
EN 62034
EN ISO:7010

Technical information:

- Viewing distance: 40m
- Supply voltage: 24V DC
- Light Source: LED
- Input power: 1,0W
- Insulation class: II
- Battery: NiMH 1.2V / 1h, 2.4V / 3h
- IP Class: 41
- Colour: RAL
- Material: PC, Acryl
- Temperature range: 0 - +55 C°

Product No.	Name	Viewing distance	Supply Voltage	Sign	Battery	Backup
