

In compliance with *Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Fire detection and fire alarm systems – Part 18: Input/output devices

for fire safety use in fire detection and fire alarm systems for buildings.
Microprocessor controlled input-/output device with integrated short-circuit isolator.

Product name: 230 VAC relay output unit, type 4460

placed on the market under the name or trademark of

Panasonic Fire & Security Europe AB

Jungmansgatan 12
SE-211 11 Malmö, Sweden

and produced in the manufacturing plant

Scanfil Malmö AB, Bronsyxegatan 6, SE-213 75 Malmö, Sweden

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in annex ZA of the standards

EN 54-18:2005 and EN 54-18:2005/AC:2007

under system 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 2023-02-01 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Issued by notified body 0402.

The validity of this certificate can be verified on our website.
